The Killarney Story

It begins around the campfire in the summer of 1957...

60years after the first campfire, voices still sing loud praises around that fire! We give thanks to God and our founders for the traditions they began. Programs may have evolved, but strong traditions remain like “The Killarney Green Thing”, cabin groups, capture the flag, special campouts, favorite camp counselors, and new lifelong friends! For over six decades, Killarney has been enriching the lives of thousands of children!

Our story began with a group of Wisconsin Lutheran churches’ desire to buy land to host their summer camp. Today, our growing camp continues to serve a diverse group of families. We renew a Christian tradition of encouraging youth through relevant ministry, intentional camp programming, outdoor education, & recreation. We are blessed to serve God through our multiple summer camps . We persist to grow additional programs through our popular annual events, school field trips, youth group rentals, sports camps, weddings, & retreats. We invite you to join us for one of our summer programs and consider us for your next special event!

BE Inspired!

Camp develops people! It’s about building relationships...its the secret ingredient to being! Often hard to put into words, but campers will share that their camp experience has given them a safe outlet to truly be themselves! In a world of chaos where do we fit in? This summer, we are excited to share what it means to just “BE”. We will share God’s answers for balance by learning what it means to BE different; Be His, BE true, BE love, BE change, BE Courageous, be grateful, be YOU! We are called to BE different. **Being** in God’s Creation, camp, gives us the gift of experience.

Why CAMP? An exceptional community designed to inspire strong supportive relationships. Camp cultivates individual learning, service, & significance. Studies confirm that life skills like communication, decision making, respect, & confidence are notably greater because of camp. Experiential experiences provide an outlet that supports successful engagement at school, work, & play. These valuable fundamental abilities are necessary in our diverse communities & strongly influence our daily interactions.

WHY KILLARNEY? Come as you are! The Bible is living and powerful. Encounter God’s word each day at chapel & weaved into our daily programs. God says “Be holy because I am holy”. Godly leaders support campers each day by modeling hope, grace, & love. Common distractions are absent allowing for full participation in the blessings at camp. Our Killarney story continues as we offer an encouraging place for youth to grow, care, & be introduced to His saving Grace!

After 30 years in camping & education, my passion & prayer remains to inspire/empower youth! Our team of devoted leaders have an enthusiasm for supporting your child in a prayerful, safe, organized, & fun environment. Join us this summer for a incredible experience!
