- Heated grooming devices & razors are discouraged. Use only in the shower/bathroom

Thank you for partnering with us by keeping these items at home.

Campers Need To Know:

Killarney suggests large clear storage totes for packing. These and Camp Trunks will stack nicely at the foot of the bunks. Suitcases or bags must fit under, on, or between the bunks. Bows & fishing equipment must be given to a camp counselor at check-in. All clothing should be modest and non-offensive. Full piece swim suits, full coverage tankini suits, & bermudas are suggested. Swim shirts/rashguards are encouraged for sun protection.

Welcome to Camp Killarney!

See you soon!
